

February 2026

Dear saints in Christ,

Ash Wednesday is February 18th this year. And with Ash Wednesday begins our Season of Lent – our preparation for the great celebration of Easter, the Resurrection of Christ from the dead.

Ash Wednesday and the rest of our midweek services will be Wednesdays beginning with a meal at 5:30 pm and service at 6:30 pm.

During our midweek services for the Season of Lent, we'll be looking in depth at the Apostles' Creed. We'll take special note of this Creed as the Second Part of the Catechism, where we find Luther's explanation to the Creed. And we'll look at just what it means to confess the Creed.

We'll appreciate more the Father, Son, and Holy Spirit – the Trinity – as we study the Creed during this midweek gatherings. And we'll come to see our deep need for Salvation from God – and His deep love for us, revealed from the Father through the Son in the Holy Spirit.

Join us this Lent as we prepare our hearts and minds to celebrate Christ's Victory over Death and the Grave at Easter!

Beginning February 18: Wednesdays Meal at 5:30 pm Service at 6:30 pm

In Christ,

Pastor Brown

February 2026 Newsletter Article

"I have a question for you. Have you ever read through all the paragraphs in your will? I did recently on a rainy afternoon when there was nothing else to do and I had no idea I ever signed a document that addressed so many topics." Those words were shared with Rita by her friend Rene. Rita responded, "I find legal documents and estate issues so complicated. I'm glad I can have someone else lead me through that challenge."

Sometimes we may think that an estate plan is simply a will, a trust and a couple of POA documents and that the fees an attorney charges for that stack of papers is too expensive. However, an estate plan is more than just a stack of yellowing papers. The plan comes out of discussion, prayer, and thinking, discerning how God wants you to distribute the things He has entrusted to your care once He calls you home to Jesus. The real value of the estate plan is found in the plan, not just in some documents. It takes some work to create that plan.

Many don't know where to get started in creating their first plan or reviewing an old plan, so they take no action at all. Your LCMS Foundation Gift Planning Counselor can help you get started. It begins with organizing your pertinent information. It continues with honing the goals you have, not just for family inheritance but support of ministry as well. Then clear information can be shared with your attorney, so they can draft documents that take into consideration legal concerns, making sure your goals are on paper and will be respected and accomplished someday. To get started in this faith journey, contact Mark Muehl at 260-241-4845 or mark.muehl@lfnd.org.

We live in an “I can do it myself” culture. Sometimes we might be tempted to think a Christian estate plan is just a collection of documents (will, trust, POA). However, we need to look deeper into the factors influencing a good plan. An automated will or trust generator may not be able to capture family nuances pertaining to inheritance. Hiring legal counsel to make sure these issues are addressed is pursued. To prepare for working with an attorney, your Foundation Gift Planning Counselor can help. Choosing the right asset to aim toward inheritance or the right one to create a charitable gift can make the difference in not paying tens of thousands of unnecessary taxes. However, we need to look deeper into the factors influencing a good plan. A will might refer to a certain percentage of gift to family or ministry, but a beneficiary designation on an account like an IRA might supersede with different instructions.
